**Game of Life  
(Poem)**

I had faith on you like I had on my life,  
I thought my fate is linked with you,  
But actually your selfishness was linked with me.

I still remember the day you met me,  
But today I remember the way you left me.

When you ruined my trust ,  
I was having no feeling of disgust,  
Because I lost the one who was temporary part of my life but,  
You have lost the one who was permanent part of your life.
